PRICE INCLUDES

11 days/ 10 nights, at 2 beautiful resorts—3 nights at the beach in Sanur, 7 nights in Ubud. Tour price is based on shared occupancy, transportation between hotels, and to and from group activities and group meals; local guides; meals as specified on the itinerary, including welcome and goodbye dinners; basic tips for guides and drivers, meditations, channeling and ceremonies by Jonette, and downloads of recorded meditations.

Does not include: Air transportation to or from Bali; airport drop off and pick-up (as taxis are reliable); travel insurance, meals not mentioned in the program, beverages, extra tips or tips for the maids, personal expenses, cost for optional activities and tips for volcano hike and cycling; and any other expenses not specifically listed as included.

CANCELLATIONS

All payments are non-refundable. However, they are transferable up until March 1, 2020 when the full payment is due, if you should find someone to take your place, (less the \$800 deposit, which is always non-refundable). We therefore strongly urge you to **purchase trip insurance**, so you are covered in some cases if you must cancel due to health.

ARRIVE EARLY to rest

Even though our first full day at the beach is free to relax, you may want to come a day or 2 early to get over jet-leg, try some snorkeling or diving.... We will be able to get you the group rate. Use our closed Bali Tour Facebook group to organize others to join you.

FITNESS AND HEALTH

You must be fit and in good health. As with all tours there can be a lot of walking. The climb up the volcano for sunrise is rigorous.

ROOMMATES

If you have selected the double room option but have not selected a roommate, we will assign you one. If we do not have someone of your gender who needs a roommate, you will be required to have a single room.(See Room Options above). It is therefore advisable to get your registration form in early, as we pair off roommates on a first come, first served basis.

TRANSPORTATION

Fly to Denpasar Bali (DPS). It is easy and reasonable to get a taxi from the airport to Griya Santrian Resort in Sanur. We will have a closed Facebook page for you to connect with other participants to find who else may be on your flights. On the departure day the hotel in Ubud will help you with a driver/taxi back to the airport.

TIPS

Tips for drivers, local guides and for all group meals are included. You are responsible for tipping the housekeepers, any baggage handling, and any extra tips for guides or drivers.

WAITING LIST

The space is limited. A waiting list will be established if the tour is over-subscribed. In the event of cancellations, it will be a first-come, first-serve priority. You will be notified as soon in, at that point we will need full payment from you.
